Cigna Dental PPO/EPO Total Network
Maine

Introduction

The following is a list of health care providers in this area who are in the Cigna network. Some providers may have been added or removed from a network after this directory was printed. We do not guarantee that each provider is still accepting new patients. For current customers, always refer to your Cigna ID card for help to determine the name of your Cigna network and benefit plan or to identify the health care providers that are in-network for your plan. If you are a potential customer, please refer to the benefit plan and network names included in your enrollment materials. To get the most up-to-date information about the in-network providers in your area, use our online directory (www.cigna.com or www.mycigna.com) or call Cigna Customer Service at the toll-free number on the back of your Cigna ID card. Also, please check with the provider before scheduling your appointment or receiving services to confirm he or she is in Cigna's network.

Before joining the Cigna network, health care professionals must meet Cigna standards through a process called credentialing. We regularly review credentials to help ensure they continue to meet these standards.

When building its networks, Cigna looks at multiple factors including, but not limited to: network adequacy requirements, access standard requirements, ability to meet Cigna's credentialing standards and local market need.

Report Inaccurate Information

If you see inaccurate information for a health care provider, please help us improve your experience by reporting it. We recommend that you review an on-line directory prior to reporting inaccurate information. If you cannot access an online directories or still wish to report inaccurate information you may do so using one of the following options:

Report by phone: Call 1-800-244-6224

Send an email to providerupdates@cigna.com and include the following information:

1. Provider, facility or health care professional's information as it is displayed in the directory (name, address, and specialty)
2. The information you would like to be corrected, such as name, address, phone number, etc.

Source of Information and Frequency of Validation

Dental health care professional information addressing specialty, dental office/practice affiliations, acceptance of new patients and languages spoken is obtained from an application that is completed and signed by the health care professional and/or through a third-party vendor. Information is updated when the dental health care professional notifies Cigna, and/or the third-party vendor, of changes or at least every three years. The information in this directory is not intended to be the only or primary means for selecting and evaluating a dentist or comparing dental professionals. It is not intended to be relied upon as advice, a recommendation or an endorsement about which facility or provider to select or the quality of the dental treatment that you receive from a facility or provider. You are solely responsible for any and all decisions with respect to your dental treatment. Never disregard, avoid or delay in obtaining dental advice from your provider or other health care professional because of something that you have read in this directory as is not intended to be a substitute for professional dental advice.

Language Assistance and Access

Directory listings include languages other than English (if any), spoken by the health care professional (HCP) or by an office staff member who the HCP has identified as a qualified medical interpreter. However if you have difficulty understanding English, we offer language assistance and interpretation services at no cost to you. For help please call the Customer Service number on the back of your ID card. If you do not have or are unable to locate your ID card, please call 1.800.244.6224.

If you have a hearing or speech loss and use Telecommunications Relay Services (TRS) or a Text Telephone (TTY), dial 711 to connect with a TRS operator.

Si le cuesta comunicarse en inglés, ofrecemos asistencia de idioma y servicios de interpretación sin costo alguno para usted. Para obtener ayuda, comuníquese con el número de Servicio al cliente que figura en la parte de atrás de su tarjeta de identificación. Si usted no tiene o no puede encontrar su tarjeta de identificación, llame al 1.800.244.6224. Si tiene algún impedimento auditivo o del habla y desea usar el servicio de retransmisión de telecomunicaciones (TRS, por sus siglas en inglés) o un teléfono de texto (TTY, por sus siglas en inglés), marque 711 para comunicarse con un operador del TRS.

We expect our contracted providers to meet all applicable federal requirements for accessibility as specified in the Americans' with Disabilities Act (ADA) and its regulations. In general, the ADA requires that health care providers offer individuals with disabilities full and equal access to their health care services and facilities, however there can be some exceptions. In order to ensure a provider's location meets your own access needs please contact that provider directly before scheduling an appointment to obtain care.

Networks available for employer self-insured (ASO) business or out of state policies.

Please read this information so you will know from which or what group of dentists in-network benefits may be obtained. Network benefits are available from dentists participating in the CIGNA Dental PPO. If you have a hearing or speech disability, please use your state Telecommunications Relay Service to call us. This service makes it easier for people who have hearing or speech disabilities to communicate with people who do not. Check your local telephone directory for your Relay Service's phone number.

All Cigna products and services are provided exclusively by or through operating subsidiaries of Cigna Corporation. Cigna Dental PPO plans are insured or administered by Cigna Health and Life Insurance Company (CHLIC) or Connecticut General Life Insurance Company (CGLIC), with network management services provided by Cigna Dental Health, Inc. and certain of its subsidiaries. In Texas, the insured dental network product offered by CHLIC and CGLIC is referred to as the Cigna Dental Choice Plan, and this plan uses the national Cigna Dental PPO network. OK form numbers: HP-POL99 (CHLIC), GM6000 ELI288 et al (CGLIC). The Cigna name, logo, and other Cigna marks are owned by Cigna Intellectual Property, Inc.
